General Manager: Damian Clements

An important Message from CEO, DAMIAN CLEMENTS
for Members, Guests and Visitors of Forster Bowling Club.

We are taking advice on COVID-19 corona virus seriously, and as a result have implemented the following measures to ensure the safety and wellbeing of our Staff, Members, Guests and Visitors. Our primary concern will be to protect people, ensure our obligations under the WHS Act 2011 and maintain our Duty of Care to our Staff, and to persons on, or seeking to visit our premises.

We have taken action to increase the sanitation of the club and its facilities. We have increased the frequency of surfaces to be cleaned in high touch areas. This includes but is not limited to tables, chairs, bar surfaces, hand rail, door handles, gaming machines, touch screens and touch buttons etc. We have also added extra hand sanitiser around the Club for your ease of mind and protection.

All persons who experience or show signs of flu like symptoms or illness are not to enter Forster Bowling Club. These symptoms may include fever, cough, sore throat, tiredness and shortness of breath and any persons who are onsite and showing flu like symptoms will be asked to leave the premises immediately.

We encourage all persons who are experiencing flu like symptoms to follow the advice of NSW Health. For more information on COVID-19 visit www.health.nsw.gov.au/coronavirus

While onsite at Forster Bowling Club Staff, Members, Guests and Visitors are encouraged to practice good personal hygiene including,

- cleaning your hands regularly for at least 20 seconds with soap and water or use an alcohol based hand rub.
- cover your nose and mouth when coughing and sneezing with a tissue or flexed elbow.

Forster Bowling Club will continue to monitor the advice of Clubs NSW and NSW Health and implement advice accordingly.

Further updates may apply.

Damian Clements
